JARVIS TOYOTA VALUE ADVANTAGE Born from WRC Not content with a WRC winning car, we set to work creating the GR Yaris GT. Using the technology and engineering developed in gruelling conditions, this feels like your very own rally car. GR Yaris features a powerful 3-cylinder production engine, producing 221kW of power and 400Nm of torque. Rear double wishbone suspension for precise cornering on road and track. GR-FOUR All-Wheel Drive with adjustable torque distribution. A lightweight body, thanks to a carbon-fibre polymer roof with aluminium bonnet, doors and rear hatch. With Toyota Connected Services, you can add convenience, safety and security to the thrill of the GR Yaris. Key Features: 1.6L 3-cylinder turbo-charged, direct injection petrol engine 6-speed manual GR-FOUR sports AWD system Drive modes (front-rear power split): *Normal...
